

Features and Benefits

The Parental Guidance Lock is a safeguard to help you control which BBC audio and video content your children can listen to or watch online. When activated they will not be able to play Guidance-labelled content.

What restrictions can I apply?

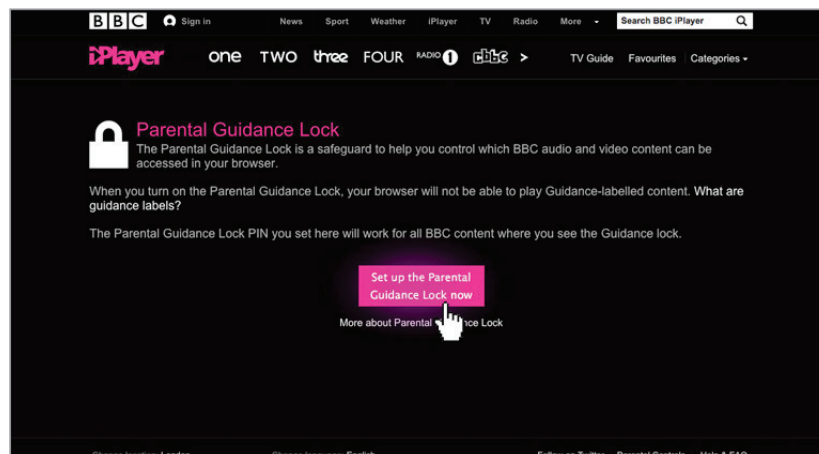

Inappropriate
Content

What do I need?

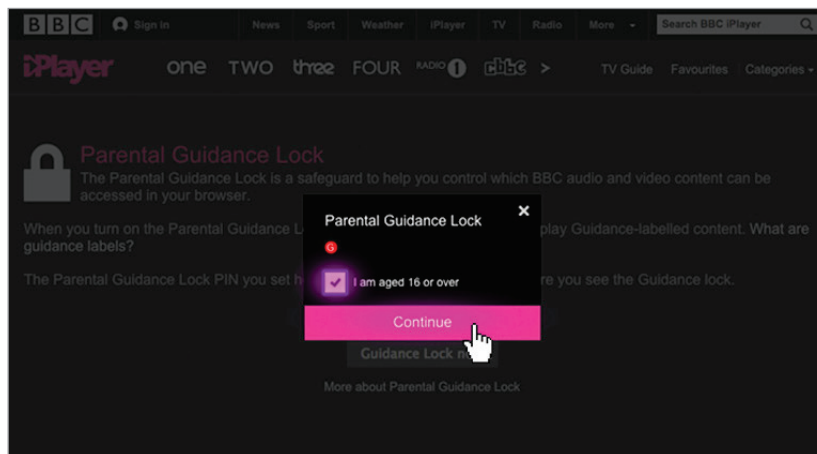

Nothing

Step-By-Step

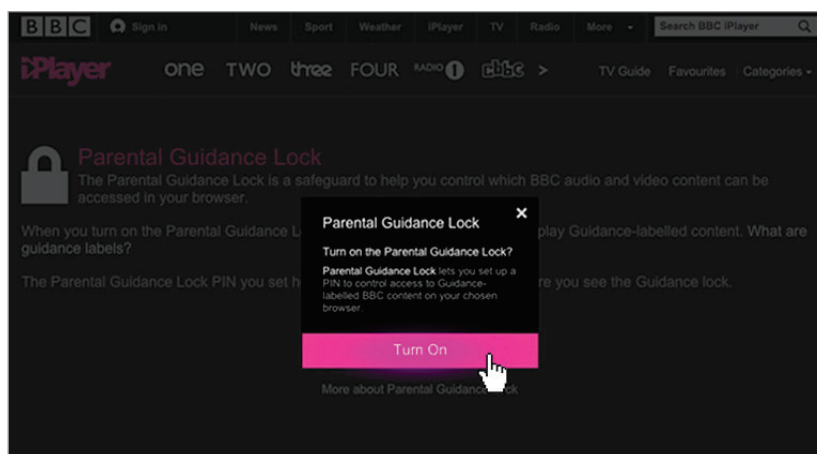

- 1 Go to the bbc.co.uk/iplayer/guidance and click on the 'Set up the Parental Guidance Lock now' button.

2 Check the box and click 'Continue'.

3 Click the 'Turn On' button.

4 You will now have to create a 4-digit pin code. This will be required whenever an age restricted show is trying to be accessed.
