

iTunes Parental Controls

Features and Benefits

iTunes Parental Controls allow you to restrict explicit content from displaying in the iTunes Store. This includes disabling podcasts, radio content and shared music so that these items don't appear on the left side of the iTunes window.

What restrictions can I apply?

Inappropriate Content

Apps Access

Media Streaming

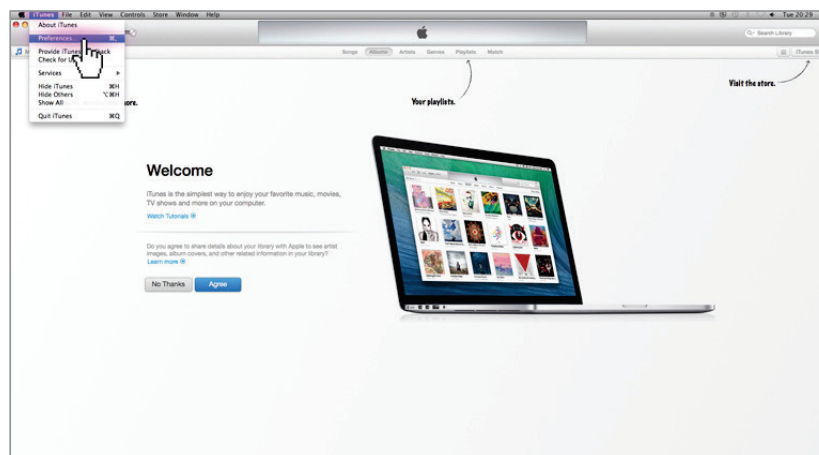

Filesharing

What do I need?

Nothing

Step-By-Step

- 1 If you are using a Mac, open iTunes and go to 'iTunes' > 'Preferences', or if you're using a PC go to 'Edit' > 'Preferences'.

- Click the 'Parental' tab and use the checkboxes to disable and restrict items from the iTunes store. You can also set rating levels for music, movies, TV shows and apps using the menus to the right of these items.
